

17th All Community Games 2026 Soccer Mini World Cup Tournament

Following the historic success of our debut, the 17th ACG Mini World Cup Soccer tournament returns this June; bigger, bolder, and more competitive than ever. This year, we are capturing the magic of the World Cup as our season's theme.

Organized by Sing Fai Sports Club, this year's tournament features four distinct divisions. We are bringing together elite athletes and community teams from across the globe for a high-energy weekend of culture, sport, and spirit.

We officially invite elite clubs and community teams to join us for an one day tournament. Alongside the tournament, participants and fans can enjoy our vibrant, carnival-like festival fair.
